

Agreement: Solihull Approach Antenatal Parenting Group Cascade Training – Facilitator copy

The Solihull Approach is committed to a cascade model of training that enables trainers to train delegates to be facilitators to deliver the Solihull Approach Antenatal Parenting Group 'Understanding pregnancy, labour, birth and your baby' in their local area as part of their normal working while ensuring the integrity and fidelity of the programme. This Agreement is part of a quality assurance programme.

- I have attended the Solihull Approach 2 day Foundation training and integrated the Solihull Approach model of working into my practice and I have attended one of the range of the 1 Day Solihull Approach Parenting Group Facilitator Trainings or I have attended the 2 Day Combined Foundation and Antenatal Parenting Group Training
- I have delivered at least one Solihull Approach parenting group
- I will have completed the Solihull Approach Antenatal Parenting Group Cascade Training before delivering the Solihull Approach Antenatal Parenting Group Facilitator Training
- I will follow the Solihull Approach Code of Practice
- I will provide the Solihull Approach office with details of each training that I deliver along with the names and emails of delegates, the dates they attended the 2 day Foundation training and the evaluation forms
- I will ensure that a Solihull Approach Antenatal Parenting Group Facilitators' Manual is purchased for every delegate attending a Solihull Approach Antenatal Parenting Group Facilitator training
- I will ensure that delegates have easy access to the Solihull approach Antenatal Resource Pack
- I will ensure that the delegates attending have attended the 2 Day Foundation training
- I will ensure that I facilitate the 1 Day Solihull Approach Antenatal Parenting Group Facilitators' training with a co facilitator who has the required level of training
- I will liaise with the Solihull Approach Manager regarding any relevant training issues or concerns
- I will ensure that the delegates sign the Agreement to deliver the Solihull Approach Antenatal Parenting Group (available from the Solihull Approach office) and send completed copies to the Solihull Approach office
- I will encourage facilitators to set up relevant mentoring and support

The Solihull Approach understands and encourages creativity within the development of Solihull Approach resources and groups. If you would like to make changes to activities within the Antenatal Parenting Group Cascade training please contact the Solihull Approach Manager or Director to discuss your ideas
