Understanding your child’s behaviour in Walsall

Walsall has a suite of parenting programmes on offer and through a small parenting team responsible for the training, co-ordination, support and delivery of parenting programmes we have massively increased the running of parenting programmes across our borough.

CONSULTATION
We commissioned Walsall Creative Arts team to undertake consultation with many Walsall parents.
This showed us we had to work even harder to de-stigmatise and advertise parenting programmes - there is still very much a stigma to attending parenting groups in Walsall, and most parents didn’t know when and where groups were, or that they were free!
So, our promotional campaign features a new 10-minute ‘Happy Families’ DVD and leaflets advertising the groups on offer in the Walsall Way suite of parenting programmes, chosen and designed by Walsall parents.

TRAINING
116 multiagency, community and voluntary staff trained in the Solihull Approach
